HEAR THE “SPEAKING BREATH” OF GOD FOR AMERICA
The Lord is Speaking to the Church—Calling
The Church to Arise and Contend for our Nation of America!

He is saying: America was created to be a Joseph Nation, but she has lost her cause consciousness. She is Sick and has a Wisdom deficit—broadly! Her foundation is broken as is the foundation of the Church which has failed to walk in the Divine Authority afforded on the Cross.

I did not give My Authority to Governments or to Presidents. I gave it to my Church! But she has failed to use the Power afforded on the Cross. Call both the Church and the Nation back to the Godly Foundation of their creation.

Repentance before Restoration is the Order!

The Lord God of creation has revealed ***His Divine Strategies*** for contending for this Nation...and He is the Master Strategist!

This is indeed a Kingdom Work for the Army of God. There are two Armies: the Army of ***Light*** and the Army of darkness! **Every Kingdom Servant**, from the pulpit to the pews is to ARISE from your stations of complacency and PRAY for America! **Boldly Pray** prayers of Repentance, Mercy, and Grace.

This is a Call to arise in your ***Spirit-man, to respond and to act*** upon the Divine Knowledge being revealed about the true condition of this Nation! **She is sick but does not need to die...**IF only God’s People who are called by His Name will PRAY and TURN from their wicked ways...then, Heaven will hear and forgive...and save our land!

The Lord had shown me those which He referred to as “A *Cadre of Angels*,” about fifty (50) or more descending and moving deliberately across the waters of Florida. Their formation was that of a square building or institution-style building likened

to a government building moving in the skies. The Angels were very tightly knit together—just as we should be in this hour of warfare for this Nation. They are a Team of highly proficient HELPERS ...SENT to HELP US!

They are our INVISIBLE Allies. They are here but will not function until we FUNCTION. God is calling us to BE the True-True Vine and Branch **Functionaries** of Jesus Christ on earth, contending for our Nation with deliberate action...both individually and corporately. There is exponentially greater power in numbers!

The Lord said: “*You [we] should think of this Nation as one MAN made up of many Pillars of Justice or of Injustice...in the form of States...where there is a Governor, who should demonstrate the heart and character of a Joseph for the welfare of the people. The Governor's position is the collective base of power—not the White House.*”

The Lord spoke these things for clarity and application—for our **Strategic Prayers** according to God’s revealed strategic plan of action.

The Lord continued, saying, “*When you see Joseph-governors, undergird them, pray and watch! But when you find them clearly NOT [speaking for the weak, poor, needy, hungry people of their state]...don't waste your time! Call them down from power, from their pillars, by the words of your righteous mouth of declaration. Then, our Invisible allies—the Angelic forces—will do their parts! Two cannot occupy the same Pillar of Power place,*” said the Lord.

Additionally He said: “*The times will come when every state should have their own stocked warehouses likened to those of Joseph—supplies stored up in event of need—without dependence on federal resources. There must be a rethinking of the use of the land and food produce—especially strawberries—even as we store-up penicillin.*”

This is God’s Strategy and this is **our call** to action...first our strategic prayers lined up with His strategic plans so that the Angels can perform their functional mission! **This Call is of paramount urgency for action!** The failure to ACT deliberately—as commanded—leaves the manifestation of unseen horrors to become unimaginably serious!

We must think of ourselves as Ambassadors for the Cause of Christ. Become creative in apportioning our time to Pray FOR—NOT ABOUT—this Nation.

For Further Thought:

- Pray when you see need on T.V or as you read newspapers and magazines which stimulate your mind to the need. Heaven has NEEDS and we must BE the “Needs-Meeters.” We are God’s Army! There should be no furloughs. Everyone is called to duty! It is just that serious!
- Apostles, Shepherd/Pastors, Prophets/Intercessors and Congregations all must Pray with and by the power of the Holy Spirit. Each can walk in a prayer state of consciousness daily, even as you function in the marketplaces of your existence.
- Convene small prayer groups of Mature Believers who can hear a body of knowledge and know what to do with the information. *This, the Lord said, is a Heavenly need!*
- **Teach...** Teach the children and immature believers how to *Legislate in the Heavencies*. Then they can execute the Will of God effectively.
- Maintain records of Strategic Intercession and Manifestation of results/changes/unfolding of Answers to Prayers.
- Establish formal Intercessory Command Centers of Operation complete with Bulletin Boards and Newsletters. Maintain an Archive of Victories.

The Lord has given me the privilege to see and know that these (our active responses to His calls) are the true stories being told to the Children in Heaven at their Story Time.

This is the Work of the True Foundation of the Church...

...that she is empowered **to CAUSE this Nation and the Church to be Re-Set** upon the solid Foundation laid for this Nation and the Church.

The ULTIMATE true outcome and condition of the Nation rests upon the ACTIONS of the Church...

...to WATCH, SEE, TEACH and PREACH GOD’S UNALTERABLE TRUTHS...all-be-it inconvenient...and PRAY!
