*I hear the LORD calling for Servants  
Who will CONTEND  
For America's Restoration!*

**This work to which we are called is urgent and powerful!  
It speaks to the difference of choices of the Life or Death of our Nation  
as we have been privileged to enjoy it under His Grace.  
NOW we must intercede for, repent for and ask for  
God's Mercy and Grace.**

**We must BID America to COME TO JESUS!  
HIS BLOOD ALONE IS THE PERPETUATION FOR SINS.  
HE ALONE CAN SAVE AMERICA!**

**His Blood has not lost its power!  
We must *apply*—by faith and action—the Power of the Blood  
to this desperately sick nation.**

**I heard the LORD say: *Don't kill the name of Jesus over Washington!***

Later He spoke of the error of “the supplanting” of Jesus’ NAME with that of any other (another name) including the name of Mary. ***“NO OTHER GOD BEFORE ME,”*** He said. (I understand that the supplanting of His name with another is, in essence, *killing* His Name.) Then, in the early hours of the day, I was awakened to hear Him remind me of His sayings when I was at the Vatican in Rome: ***“Notice they (Catholics) quake at the name of Mary, but NOT at the Name of JESUS!”***

...see Exodus 20: 3-5

THEN the LORD returned my thoughts to my own Nation telling me there will be ***“Healing Processes for this Nation,”*** referring to the nation as ***“but man...with stage-four cancer of the heart.”***

His Words remained serious but became encouraging with remembrances that not all stage-four cancer patients succumb to their condition...especially when the Servants intervene in FERVENT PRAYERS! He set the line of expectations saying: ***“Expect a painful, protracted process of healing including bitter medicine!”*** Then He likened the process as unto an individual with stage-four cancer and repeated: ***“Think of a Nation as but man as you execute My Will for and in a Kingdom Nations’ work.”***

(Right now there is a prophetic oily tear flowing down my right cheek, though I do not feel weepy. Yesterday, it was a tear flowing down my left cheek, as I was dealing with this Nation’s work assignment.)

**AS WE ARE CALLED, SO LET US RESPOND!  
LET US TAKE COURAGE! LET US TAKE ACTION!  
LET US EXPECT THE EVENTUAL SALVATION AND RESTORATION TO A  
ONE NATION UNDER GOD POSITION!  
IN JESUS’ NAME!**

*Blessed is the nation whose God is the LORD,  
And the people whom He has chosen as His Own inheritance.*

Psalm 33:12

*Righteousness exalts a nation,  
but sin is a reproach to any people.*

Proverbs 14:34
