

## **ABOUT...Prophetess Mary L. Johnson-Gordon...**

TODAY, **Mary L. Johnson-Gordon** is an ordained Elder in the Office of Prophet, and Carrier of God's word to His people. She holds a Master's Degree in Education: Supervision and Administration from the *University of the District of Columbia* in Washington, D.C. and is blessed by her heritage as a Native American of the Haliwa Saponi Tribe of North Carolina. As an End-Time Prophet and an Apostolic Preacher/Teacher, she develops and instructs God's People for another *dimension of service*. **Prophetess Mary is equipped** with a special anointing to execute God's will through Healings, Miracles, Signs and Wonders. After many encounters with God and the God-Kind—including Supernatural transport into other dimensions and seeing Paradise—she is prepared for teaching, **God's Way**.

With the Lord's direction, she established ***Right Way Ministries International, Inc.*** and continues her mission/ministry work as God directs her. Prophetess Mary says: "Setting the captives free is my obligatory work." Her Missions travels have been extensive, to over forty (40) nations including: Cambodia; India; Israel; China; Guyana; Central Africa (Congo), South, East, West Africa and many European countries. Her *call* is to the Nations, with a special assignment to contend for the United States of America, as she releases God's Messages so that all may better know Him, His Ways, and His Covenant with His People.

FROM childhood, Prophetess Mary knew her Father-God and His blessings. Her natural father, Howard Daniel, grew up without the benefit of a nurturing father and his mother died young leaving him to fend for himself through much adversity. Yet he became a man who took great pride in his exceptional ability to farm the land and grow fruitful crops which earned him acclaim among farmers throughout the county. In the process, he taught his children the values of honesty, excellence and hard work without grumbling. Work well done was considered an honor, and he would often sing or whistle with joy whether he was busy cutting his neighbor's hair, cutting wood, or tilling the soil.

Prophetess Mary's mother, Idell Rudd Daniel, taught her children by *living her life*—demonstrating that all things are possible through faith in Christ Jesus. She was truly a reflection of God's joy—a delightful, humorous, beautiful Native American woman of God who raised fourteen children in the segregated South of these United States.. Wherever they lived at any given time, she always found a Church for her family to attend. Thus, early in life, Mary became acquainted with God in Whom she could trust. Idell was also a fighter for right and justice, knowing when it was time to fight or time to

keep the peace. Her transition from this earth at the age of 93 years left behind a living legacy that teaches about survival by the Grace of God, and that will reach to world.

Prophetess Mary is the second oldest of fourteen siblings. She accepted Jesus, asking Him into her life at the age of seven (7) and was baptized in a muddy country creek of North Carolina. There she experienced her first dynamic encounter with the Holy Spirit, coming up out of those waters and *knowing* the awesome Presence of the Lord—for herself.

Her natural life, however, was to be one of hard work, hardship, loneliness, and pain. Being born poor and living in a segregated society, posed many problems: Lack of adequate educational resource, the experiencing of much social injustice and loss of their “Ethnic Indian Identity,” as well as their land, left many with cause to feel disenfranchised and oppressed! Yet, out of this oppressed state grew an abiding faith that showed her it was God Who brought them through all circumstances. This led Mary to know God as a *Supernatural Provider*, Healer of the sick and hurting, and a Present Savior on Whom she could reliably depend!

Not long after being baptized, as she walked to her elementary school, the Lord revealed to Mary that He wanted her to *preach*—to *carry His Word*—in the later, elder years of her life. At that time she didn’t even own a Bible and had no hope of a higher education. But the Lord comforted her saying, “*Do not worry. I will teach you what you need to know.*” She never shared that secret with anyone over many years—but she remembered. After that, the *anointing* demonstrated by Oral Roberts’ and his ministry, became her sincere desire.

A long time passed and Mary thought God had changed His mind until she received a second visit—a Supernatural Call. The Lord placed His warm Hands upon her ankles (which were crossed as she rested upon her bed) and said to her: “*You are called into the Salvation Army!*” Immediately the Holy Spirit took her into places she’d never been before and Mary was aware that these were the *future times* spoken to her when she was a child.

Days later she experienced another encounter—with a **touch** of His Hand upon her hands. Two days later, there was a third encounter—as she felt a soft, gentle brush across her lips, like the brush of a feather.

From that day to this, there have been many Supernatural encounters with the Lord and His Heavenly Inhabitants; transports to places where only the Holy Spirit can go, secret places of clandestine meetings, high-level financial planning sessions of International import and offices of Presidents—ALL for the Causes of Christ!

Throughout Prophetess Mary's life, she has experienced many challenges:

- As second oldest of fourteen children, growing up on a farm, with the addition of many family responsibilities was not easy.
- She married young; bore four children; was a working-housewife, part-time teacher and helped with the family business while caring for her family.
- In her life's struggles there was a place she called "the valley of despair"—without *established* credit and without a permanent job.
- When in need, she had learned to *talk* to God! In this season of deep financial need she spoke to Him about needing Divine intervention, and Divine INTERVENTION is what she got! One day He gave her Divine instructions, "*Look in your purse.*" He had Supernaturally placed money inside and then told her what to do with it in order to establish the credit she needed. It was a kind of *Noah experience* with specific instructions to be followed so that she could move from broken-ness into wholeness.
  - **That same day of the encounter with God,** ultimately enabled the return of the borrowed car she'd been using (a rusty, corroded hole in the floorboard), which was **miraculously replaced** when her newly established credit allowed her to purchase her own car.
  - Back payment of unemployment checks came into her hands just in time of critical need.
  - Also, that same day, she was re-employed in a teaching position which seemed impossible to attain.
- In the next few years, by God's amazing grace, Mary managed her finances well, but only God made it possible to educate her above average, high-achieving children and complete her own Master's Degree with honors. The Lord (in His Perfect Timing) took her from *lack* to *plenty* and He did it His Way. (Details of these events can be found in her books—titles given below—with more information on the BOOKS page of this website.)
- Doors of opportunity for ministry and missions began to open:
  - Mary became a student and later an International Co-laboring Missionary for many years with the Morris Cerullo *World Evangelism School of Ministry*—even as the Holy Spirit continued her education revealing that He was her teacher, *as promised*—teaching that she holds *Divine Capacity* to apply what she has learned while using *Divine Enablement* to help others.

- On July 18, 1998, Mary L. Johnson-Gordon became an Ordained Elder, Consecrated to Preach the Gospel of Jesus and Serve in the Office of Prophet.
- In this same timeframe the Lord also created the ministry she would establish on this earth: ***Right Way Ministries, International***, which He named and assigned into her hands—to be used for His Kingdom Purposes, His Causes. She established and operated an *Intercessory Command Center* in Washington, D.C for ten consecutive years; conducted *Healing and Revival Services* locally and internationally, while traveling (sometimes alone) to hard places like Guyana, South America (the renowned place of Jim Jones mass murders) and Congo, Africa to minister for His Glory in these End Times of urgency.
- Then the Lord moved again in Prophetess Mary's life directing her to travel with Dr. Marilyn Hickey, Founder of *Marilyn Hickey Ministries* and Co-founder of *Orchard Road Christian Center*. Dr. Hickey has mentored and encouraged her to press on and DO the will of God, in spite of the grief and great adversity in her life. Their co-laboring efforts during short-term missions trips are a Divine Connection for God's Kingdom Purposes: healing the sick, saving souls, equipping the Saints and claiming territory for the Causes of Christ. Dr. Hickey is a living testimony that we can do all things through Him Who strengthens us—an example of a *genuine*, dedicated Kingdom-Servant!
- Following the Lord's continuing mandates, Prophetess Mary has now become an author of His books—His urgent messages—for all to hear: ***TELL MY PEOPLE The Unalterable Inconvenient Truths*** (2008), ***INSIGHTS: God's Use of Earthly Inhabitants for His Kingdom Purposes, With Special Insights Into The Work of a Servant-Prophet*** (2011), and most recently (2014) ***Heaven's Witness...REVEALING Divine Mysteries of the LORD of MERCY.***

Prophetess Mary L. Johnson-Gordon has, indeed, placed herself IN GOD'S HANDS. Is she a *flawless human being*? Of course not. Neither were the prophets of old. None of us are. However, she has answered His Call and in so doing is “*...a new creature, old things are passed away, behold, all things are become new...*” (2Corinthians 5:17). She has purposed to be His vessel, His authentic, genuine servant; obedient and yielded to His instruction, commands and mandates so that the world will truly know He IS, He LIVES, He LOVES, He is MERCIFUL and that LIFE Eternal is Sure IN HIM!

Above all human frailties, and whatever else others might see or imagine in (or about) Prophetess Mary, she IS a *living witness* of God's Love, His Mercy, His Sovereignty—now and forever a contending defender of the Causes of Christ!
