

Message from Heaven's Situation Room

by

Prophetess Mary L. Johnson-Gordon

December 12, 2014

In this URGENT MESSAGE The LORD revealed His displeasure with His Church's unreadiness to engage in spiritual warfare in these times of great need.

I HEARD HIS URGENT VOICE SAYING:

“Life Watch...Life Watch...Life Watch! (Three times, with heavy emphasis on the words *life* and *watch*)

“Life Watch Services! (emphasis on *services*)

“There is need to Create Life Watch Services! (emphasis on the words *create* and *services*.)

- (1.) “Watch for life-giving opportunities in the Prayer Rooms.”
“There is a ”Life and Death Struggle” before you!
This Nation is targeted for Holocaust... Holocaust like [such as] disregard for life. See? (Asked the Lord.)
- (2.) “There is a need for the *Watchers* to watch dutifully and pray dutifully. Holy Ghost Watchers—Those who are equipped for the *Supernatural Revelations and Instructions* (seeing and receiving) Strategic Instructions. They must arise to the forefront, boldly and fearlessly...assuming their positions AS Kingdom Warriors in Truth!
- (3.) “There is no time for *expectancy or dependency on Man's Wisdom*. Man's wisdom *fails God's purposes* every time. It is NOT reliable!
 - **“Holocaust is no joke! It must be perceived as Real and Frontal.**
 - **The enemy is frontal and determined to execute a Holocaust-like Mass Death Attack!**
- (4.) “Believe me when I Direct ACTION and ATTENTION...to Attend Dutifully to My Leadings!” said the Lord.
 - **The Situation Room of “Supernatural Intelligence” is reliable...Dependably Sure... and *Commands response without delay!*”**
- (5.) “This watch is intensively directed... for *LIFE* depends upon the *Watchers seeing* with Divine Accuracy...and their responsiveness to the revealed needs with Strategic Precision. I Say! [This means]...Prayer Targeting [that is] interrupting the Enemy's schemes preventively I Say!
His declarative words of enlightenment were, **“Watch for Life IS the Call Now...and for Many Days to Come!”** says the Lord of Mercy.
